The Principal Secretaries of all the States/UTs
(Dealing with Craftsmen Training Scheme).

Ref: - File No. DGT-Aff011/1/2023-O/o DIR (TC) – Part (2) [63756] dated 03.05.2024, 02.09.2024 (copies enclosed).

Subject: Extension of closing date of admission for Craftsmen Training Scheme (CTS) courses in Industrial Training Institutes (ITIs), Session - 2024 - regarding.

Sir/Madam,

The Directorate General of Training (DGT) in the Ministry of Skill Development and Entrepreneurship coordinates national vocational training programs in Industrial Training Institutes (ITIs). The DGT sets standards and conducts trade testing, while the day-to-day administration of ITIs is managed by State Governments and Union Territory Administrations.

2. Accordingly, the DGT releases a Training Calendar for each session to all the State/UT directorates for carrying out CTS admission process in all government and private ITIs as per the given schedule. As per the timelines mentioned in admission Calendar 2024 session, the initial cut-off date for admission in all ITIs was 31st August 2024, which was later extended to 30th September 2024 in response to requests from state directorates and private ITI associations.

3. The Directorate has received numerous requests from State/UT directorates, ITI associations, and ITIs to extend the closing date for admissions for the session due to low admission percentages caused due to general elections to vidhan Sabha in Haryana state, Union Territory J&K and other issues.

4. After careful consideration, the Directorate General has decided to extend closing date of admissions for CTS in all government and private ITIs nationwide. The new extended closing date is as follows:

Activity	Revised dates
Closing date of admission in all government and private ITIs across the country. *(With the condition that, State/ITI should ensure extra classes during holidays/Sundays*	**30.10.2024 (Modified date)** **[All types of admissions including walk-in admissions also to be completed on or before this date]**

to cover up 360 training hours for the trainees admitted during this extension period)	
Start date of the academic session (starting date of training).	**02.09.2024 (No change in date)**
End date of the academic session (closing date of training).	**21.06.2025 (No change in date)**
API link for data migration Trainee Verification schedule	**Will be continued as per earlier schedule. A separate API schedule will be provided for the trainees admitted during this extended period.**

This issues with the approval of competent authority.
